

Lackawanna College

LIBERAL STUDIES/ PETROLEUM & NATURAL GAS INTENT GUIDE (Available Scranton Day and School of PNG++)

EFFECTIVE DATE: FALL 2016

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

	<u>Required</u>		<u>Enrolled</u>		<u>Required</u>		<u>Enrolled</u>
	Yes	No			Yes	No	
DEV 010 Basic Writing Skills	___	___	_____	ENG 102 Fundamentals of Writing	___	___	_____
DEV 020 Reading for College	___	___	_____	ENG 103 Critical Reading	___	___	_____
DEV 030 Basic Math Skills	___	___	_____	MAT 110 Intro to Algebra	___	___	_____

Following are 26 credits that will satisfy requirements for the Liberal Studies, Petroleum & Natural Gas Technology, Petroleum & Natural Gas Measurement, or Petroleum & Natural Gas Business Administration programs. Students entering Lackawanna College who are not qualified to enter directly into these PNG programs can pursue Liberal Studies with the Petroleum & Natural Gas Intent for the first semester or year. Liberal Studies with Petroleum Gas Intent (LBPG) students need to work with their academic advisor to review the PNG programs guidelines/ requirements. At the completion of this coursework, if the student is still not eligible for admission to any of the PNG programs, he/she must declare a new major. Students also need to be aware that, if accepted into any of the PNG programs, they may not be able to complete the remaining coursework in a two-year timeframe.

**Semester Grade
Taken Earned**

_____	_____	CIS 105 Introduction to Computer Applications
		OR
