

Lackawanna College

PROFESSIONAL STUDIES/ EDUCATION INTENT GUIDE (Available Towanda)

EFFECTIVE DATE: FALL 2018

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

Following are 31 credits that will satisfy requirements for Professional Studies or Education (Grades 5-12). Students entering Lackawanna College who are not qualified to enter directly into the Education program can pursue PSED for the first semester/year. PSED students need to work with their academic advisor to review education program guidelines/deadlines. At the completion of this coursework, if the student is still not eligible for admission to the Education program, he/she must declare a new major.
