

Lackawanna College

PSYCHOLOGY (Available Towanda)

ASSOCIATE IN SCIENCE DEGREE REQUIREMENTS

EFFECTIVE DATE: FALL 2018

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Acceptance into the Psychology major is based on a selective admissions process. All applicants must follow the standard admissions procedures for the program and meet specific program qualifications to be considered for acceptance. Please note that due to the rigorous academic demands, not all applicants will be accepted into the Psychology program. All applicants will be interviewed by members of the Social Science division before an acceptance decision is made. If accepted, students must obtain a 3.0 GPA in PSY 105, Introduction to Psychology.
